Each participant is asked to bring your own prewrapped snacks. We can no longer provide food in the cropping room. There are great restaurants in the hotel that will be open for your dining choices. These restaurants will be where your meal coupon can be used.

This hotel has rectangle tables, so there will be plenty of room to crop. You are more than welcome to bring all your cropping supplies, but you may have to leave some of them in your room.

The hotel does have a nice restaurant and bar facility that is open year round.
